

A Week with Jesus

(April 10-16, 2017)

Here's an invitation to set aside unrushed time each day to follow what happened the week that changed everything forever.

Walk through the stories of John

Acknowledge Christ's presence and ask him to draw you into the meaning and power of what he said and did. Then read a chapter from the *Gospel of John*, offering honest responses to God: e.g. questions, confessions, thanks, surrender, awe, etc.

Pray for week's ministries together

Please be lifting up our gatherings to God:

- *Maundy Thursday Communion*
- *Inversion Church's Easter Eve (5:30 Saturday)*
- *Easter Celebration*

Especially lift up our Ministry Teams and Pastors who will guide Sunday's praise, prayers and witness to our risen Lord. Pray that his Spirit fill, guide and empower us as we welcome guests, care and teach children, use many different musical gifts, share faith stories, and consider the Good News through the eyes of the disciple Thomas with his honest doubts but then passionate trust. There is often much understandable spiritual battle as we move to the "front lines" of exalting the crucified and risen Jesus. Ask that his victory be manifest as we seek to follow and serve him together.

You can commit to at least 30 minutes of prayer for Resurrection Day ministries on the **Saturday Prayer Vigil** poster in the Welcome Center, or on the **Connect Card**.

Offer Easter "hospitality" to our guests!

- INVITE some friends!
- Consider attending 9 AM GATHERING to allow more room at our 10:30.
- PARK in the SOUTH or EAST lots to allow space for guests in the main north and west lots.
- GREET anyone you do not know – whether or not they're "new."

Join our **EASTER CHOIR!** One rehearsal: Saturday, 9-11 am.
