MATTHEW

God designed us for community.

What is the best next step for you to take to connect with your church community?

How do we know what God wants us to do if we feel like we never hear God's voice?

Pray and ask God to speak.

Seek confirmation from your community.

Seek confirmation from scripture.

Do what scripture teaches regardless.

Confess, repent, and be baptized.

Seek to go where God leads.

Pay attention to Jesus.
