

This month, I decided to do a little month by month review and comparison. Here is a list of giving by month from last year and this year. It is an encouraging trend! (and, reminder, October is the first month of our church fiscal year)

Month	FY24	FY25
October	\$35,600	\$56,700
November	\$61,300	\$62,900
December	\$92,000	\$115,200
January	\$56,100	\$63,300
February	\$50,600	\$59,000
March	\$55,600	\$78,700
April	\$65,600	\$55,800 (with one more week still in the month)
